ELECTION

Sir:

This is in response to the United States Patent and Trademark Office Restriction Action mailed May 19, 2005 response is being made on June 19, 2005, and for which no extension fee is due.

Applicants hereby select the species claims of the first embodiment, namely claims 1-19, drawn towards detection circuitry associated with the arrangement for detecting signals at same sensing conductors arising from the position detection of a first kind and signals arising from the position detection of a second kind.

By the attached amendment, Applicants are amending claims 2, 4, 7 and 13. Calims 20-38 and 40-44 have been redrafted to depend from claim 1 or claims dependent therefrom. Claims 39 and 45-49, have been canceled and are now the subject of a divisional application to be filed shortly.
